A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Village of Kokhanok	=	Village
Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Community Development Block Grant	=	CDBG
Denali Commission	=	Commission

On Sept. 24, 2004, ANTHC and the Village of Kokhanok executed a CPA authorized by the Denali Commission to construct a new health clinic in Kokhanok, Alaska. Project activities included site preparation, materials and equipment, construction, and labor.

Project funding totaled $977,777 and was provided by the following agencies:

- $572,100 of Commission funding, via Denali Commission Financial Assistance Award Project No. 0100-DC-2003-I13, Addendum B, dated January 2004
- $117,677 of 2004 Indian Health Service Tribal Equipment funds
- $288,000 of Community Development Block Grant funds, via Denali Commission Financial Assistance Award Project No. 0100-DC-2003-I13, Addendum B, dated January 2004

B. REVISION OF PROJECT BUDGET

This Amendment adds $390,000 per Denali Commission Financial Assistance Award Project No. 185-05, dated August 2005, and $263,273 per Denali Commission Financial Assistance Award Project No. 185-05, Amendment No. 2, dated September 2005. It also recognizes the Indian Health Service FY 04 Tribal Equipment funds as part of the cost share.

Project funding therefore totals $1,631,050.

A revised project budget and funding sources table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Sources				
						Denali FY03	IHS FY04	Village CDBG	Denali FY05	Denali FY05
M-CL	Construct new clinic	1	LS	1,631,050	1,631,050	572,100	117,677	288,000	390,000	263,273
				Total Award	$1,631,050	$572,100	$117,677	$288,000	$390,000	$263,273

(The $72,427 central operations fee identified in the original CPA is now part of the project's unit cost. At the time the original CPA was executed, ANTHC had to perform construction via force account, and therefore a central operations fee was identified. However, it is now known that construction will be performed via a contractor; project administration of this type does not require a central operations fee.)

This document constitutes Amendment No. 1 to the CPA to construct a new health clinic in Kokhanok, Alaska. All other sections of the original CPA remain in effect as agreed upon and executed.

MEMORANDUM

DATE: October 2005

FROM: Heritage and Environmental Consultant

SUBJECT: Village of Kokhanok – Environmental Review
Amendment No. 1, Project No. AN 04-GB6

TO: FOR THE RECORD

Based upon proposed Federal funding for this project, an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA) is required. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in September 2004 with respect to the proposed sanitation facilities construction at Kokhanok, Alaska under Project No. AN 04-GB6. This Amendment will not change the scope outlined in the original document, and therefore no additional environmental review is necessary at this time.

If the scope of work is changed in the future, then the ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed.
