Same as above

Name	Message Phone	Work Phone
<u>Address</u>	<u>City</u>	<u>State Zip</u>

AS 38.05.035(a) authorizes the director to decide what information is needed to process an application for the sale or use of state land and resources. This information is made a part of the state public land records and becomes public information under AS 40.25.110 and 40.25.120 (unless the information qualifies for confidentiality under AS 38.05.035(a)(9) and confidentiality is requested). Public information is open to inspection by you or any member of the public. A person who is the subject of the information may challenge its accuracy or completeness under AS 44.99.310, by giving a written description of the challenged information, the changes needed to correct it, and a name and address where the person can be reached. False statements made in an application for a benefit are punishable under AS 11.56.210.

Describe the proposed method of excavation, including the type of equipment to be used: Excavate and place rock within alignment to create shelf for penstock using mechanical equipment including; Hitachi 200 excavator with thumb and hammer attachments, skid steer loader and dump trucks to create shelf. Blasting may be required to level out rock high spots and to shape side slopes along the alignment.
How many cubic yards do you propose to remove per month? _____ per year? 2,500cy total for road construction

Describe the type of material, e.g., coarse, unsized angular rocks; well-sorted and sized gravel; sand and gravel mixed with some shale. Alignment consists of fractured and weathered bedrock consisting of highly recrystallized metamorphic rock.
Most of the alignment is covered with a thin layer of organic material with the remainder exposed bedrock.
If permits are required by other agencies, have they been applied for? Yes No.

If this application is for a negotiated (noncompetitive) sale, it is subject to a yearly volume limit under AS 38.05.115. Please list the contract numbers of any other material sales negotiated with the Department of Natural Resources during the previous twelve months by you or by any subsidiaries, divisions, branches, partnerships, or joint ventures of which you are a member.

none
