A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Native Village of Port Lions	=	Village
Kodiak Area Native Association	=	KANA
Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Denali Commission	=	Commission

On Aug. 12, 2004, ANTHC and the Native Village of Port Lions executed a CPA authorized by the Denali Commission to complete the design studies and construction planning for a new health clinic in the Native Village of Port Lions, Alaska, and the site development of future multi-use facilities. No construction will be performed under this project phase.

The project was funded by Denali Commission Financial Assistance Award Project No. 0071-DC-2002-I24, Addendum E, dated June 2004.

B. REVISION OF BUDGET AND SCOPE OF WORK

This project was originally awarded \$120,000. This Amendment adds \$12,500 of funding contributed by the Kodiak Area Native Association for the Native Village of Port Lions. Project funding therefore totals \$132,500.

The additional funds expand the scope of work for the future multi-use facilities to include space programming and a reexamination of site suitability.

A revised Project Budget and Funding Sources Table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Sources	
						Denali FY02	Village (KANA)
M-DS	Design new health clinic; perform site development of future multi-use facilities	1	LS	132,500	132,500	120,000	12,500
Total Award					\$132,500	\$120,000	\$12,500

By signing this Agreement, the Native Village of Port Lions agrees that Kodiak Area Native Association funds shall be transferred to ANTHC and used for the project. If this funding is not made available, project activities will be curtailed.

This document constitutes Amendment No. 1 to the CPA to complete the design studies and construction planning for a new health clinic in the Native Village of Port Lions, Alaska, and the site development of future multi-use facilities. All other sections of the original CPA remain in effect as agreed upon and executed.

MEMORANDUM

DATE: July 2005

FROM: Heritage and Environmental Consultant

SUBJECT: Village of Port Lions – Environmental Review
Amendment No. 1, Project No. AN 04-GA3

TO: FOR THE RECORD

Based upon proposed Federal funding for this project, an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA) is required. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in July 2004 with respect to the proposed sanitation facilities construction at Port Lions, Alaska under Project No. AN 04-GA3. This Amendment will expand the scope outlined in the original document; however, no additional environmental review is necessary at this time.

If the scope of work is changed in the future, then the ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed.
