SUBJ: Grant No. 2195231, Saint Paul Heat Recovery ECR

Dear Ms. Garrett:

The City of Saint Paul would like to request an extension on the above referenced grant. Due to our limited workforce, a major water expansion project, and our limited construction season, we will be unable to meet the original grant deadline of December 31, 2005.

Your consideration in this matter would be greatly appreciated.

Sincerely,

Please, John R. Mercurio
